

Rules

1. Cannot fly in <30 degree weather
2. Batteries only sustain flight for 6 hrs
3. Must avoid storms with wind > 40 mph
4. Airport is currently experiencing delays

Decisions Made

1. Delayed take-off due to cold weather
2. Flew south to avoid storm
3. Landed early due to low battery
4. Take-off is suspended due to delays.

SEA → JFK flight path adjusted due to storm on route
